DISSOLVE TO:

1. INT. MAIN DOOR. DAY.

Sounds of keys and door unlocking then fade from black to Rich coming through front door, looking disheveled after a long day at work. Wearing a misbuttoned Pepsi uniform (name tag?) you can see the relief on his face as he exhales and says:

RICH  
Ahhhh, finally.

CUT TO:

2. INT. MAIN FOYER AND BATHROOM DOORWAY. DAY.

TIGHT-

Rich's boots getting thrown into corner. Clothes thrown on floor on way to bathroom. Shower knob turn. Water from shower head. Sounds of the shower running along with steamy shot of closed shower curtain and Rich humming the Super Mario Bros. theme song.

DISSOLVE TO:

3. INT. BATHROOM DOOR. DAY.

Bathroom door opens and a whole new Rich emerges. Now smiling and seemingly at peace, the worries of the day washed away. He is now ready to enjoy his gaming time.

RICH  
Time to game.

CUT TO:

## 4. INT. KITCHEN. DAY.

Whooshing sounds are heard as we see quick cut tos of Rich's hand reaching for the snacks: Mountain Dew, Doritos, Candy, etc.

DISSOVLE TO:

## 5. INT. LIVING ROOM. DAY.

Rich carries all of the snacks to his gaming chair and whispers with reverence.

RICH  
My throne!

Rich proceeds to setup the snacks then sits down. Puts on headphones, adjusts microphone and dramatically presses the controller's on button. We hear the chimes of the game system turning on and it lights up Rich's face and torso, putting a huge smile on his face and his eyes widen.

GAME SYSTEM 9000  
Welcome to Game System 9000!

Rich clicks on a couple of buttons and the sound of his game loading up is heard. As the game loads up he gingerly rotates the Mountain Dew, ensuring that everything is perfectly in place. Game dashboard pops up and we see Devin's new gamer tag made just to annoy Rich. And we see a live stream of Devin humping a stuffed Animal.

GAME SYSTEM 9000  
You are now in a game with  
DoinRichsMom69.

DEVIN  
Oh Rich's mom...take that! Hey  
Rich, what up MAF-K?

Rich rolls his eyes because this is his arch gaming nemesis, Devin aka ``DoinRichsMom69`` and for what is being done to his mom.

RICH  
Haha, nice new screen name  
Devin. Your ass is mine this  
time kid!

CUT TO:

6. INT. SPLIT SCREEN OF BOTH GAMERS. DAY.

As he finishes rolling his eyes and begins to speak, Rich's scene shifts over to half the screen and Devin's scene on the other half. We see Devin in his gaming chair with headphones. He is much more chill than Rich.

DEVIN  
Yeah yeah, it would be your  
first gramps? Bring it!

GAME SYSTEM 9000  
BEGIN!

They begin to play. Rich looks very tense and struggling to play while Devin is so chill. They are the epitome of Yin and Yang on the screen.

RICH  
Haha!

CUT TO:

7. INT. GAMEPLAY OF COD ON XBOX. (1<sup>ST</sup> DEATH)

As Rich yells "Haha" the game play cuts to full screen and Rich's character sees Devin, shoots wildly and tries to kill him but misses completely. Devin calmly kills Rich.

CUT TO:

8. INT. SPLIT SCREEN OF BOTH GAMERS. DAY.

RICH  
Grrrr

DEVIN  
What chu got, MAF?

CUT TO:

9. INT. GAMEPLAY OF COD ON XBOX. (2<sup>ND</sup> & 3<sup>RD</sup> DEATHS)

Rich respawns somewhere else on the map only to be killed instantly when Devin's game character appears out of nowhere.

RICH  
You lucky bastid!

DEVIN  
Mad skillz playa!

Rich respawns again, runs around a bit then dies for the third time and instantly we hear:

RICH  
Oh my God!!!

CUT TO:

10. INT. LIVINGROOM. DAY.

Rich rocks wildly in his chair like a maniac.

RICH  
Come ON!!!

CUT TO:

11. INT. LIVINGROOM. DAY. (4<sup>TH</sup> & 5<sup>TH</sup> DEATHS)

''FRIDAY'' appears on a black screen then fade to Rich in his favorite gaming chair wearing different clothes. Rich is getting frustrated and dies quickly and shows his frustration.

RICH  
What the hell, DEVIN?

CUT TO BLACK:

Cut quickly to black and ``SATURDAY`` shows on black screen for a couple of seconds then cut to Rich in his favorite gaming chair wearing a different shirt again. Once again Rich is getting frustrated and dies quickly and rocks violently in his chair.

RICH  
Ahhhhhhhh?

CUT TO BLACK:

Cut quickly to black and ``SUNDAY`` shows on black screen for a couple of seconds then cut to Rich in his favorite gaming chair wearing a different shirt again.

CUT TO:

12. INT. GAMEPLAY OF COD ON XBOX. (6<sup>TH</sup> DEATH)

Once again Rich is getting frustrated and dies quickly.

CUT TO:

13. INT. LIVINGROOM. DAY

Rich jumps out of his chair.

RICH  
Arrrrrrgh and unintelligible  
raves and rants.

CUT TO BLACK:

He flops back in his chair as if he's had enough and in a pouty voice says:

RICH  
I WISH I COULD BEAT HIM!!!

CUT TO:

14. INT. LIVINGROOM. DAY.

Different angle of Rich slumped in his chair. We hear Angelic voices or sounds and a bright light appears off screen. Rich looks puzzled as a hand comes from off

screen and places a cube in Rich's hand. They were outstretch already from talking his last line and using hand gestures to show his frustration.

ANGEL

Your wish is my command. Take this Time Cube and follow the instructions wisely.

CUT TO:

15. INT. CLOSEUP OF THE CUBE.

We see the cube in Rich's hand and a paper under it. Rich pulls the paper out and unfolds it to reveal the instructions.

RICH

MY POWER LEVEL is OVER 9000!  
(looking at the camera now, he says): Oh he's mine now!

CUT TO:

16. INT. LIVINGROOM. DAY.

We now see Rich's familiar angle of gameplay in his chair. But this time a huge smile on his face.

CUT TO:

17. INT. GAMEPLAY OF COD ON XBOX. PRISON BREAK.

He starts playing and dies quickly (we need to use this same room each time we rewind... maybe the room on Prison break where there's an upstairs). Far left corner of map.

CUT TO:

18. INT. LIVINGROOM. DAY.

This time he smiles and kind of giggles instead of freaking out. He rather smugly says:

RICH

OK TIME CUBE!

TIME CUBE  
Makes acknowledging sound as  
if waiting for command.

RICH  
Rewind 1 minute!

TIME CUBE  
Makes a sound as we see the  
video rewind.

CUT TO:

19. INT. GAMEPLAY OF COD ON XBOX. PRISON BREAK.

Now Rich starts to play and thinks he knows where Devin is going to be and jumps out to shoot him but Devin is not there. Rich gets killed as Devin jumps out from different place.

RICH  
What the...OK TIME CUBE! With a  
little bit of attitude.

TIME CUBE  
Makes acknowledging sound as  
if waiting for command.

RICH  
Rewind 1 minute!

TIME CUBE  
Makes a sound as we see the  
video rewind.

We stay on the gameplay screen and see the rewind. I will then replace that footage with the next death scene.

CUT TO:

20. INT. GAMEPLAY OF COD ON XBOX. PRISON BREAK.

Rich runs in the room with some frustration and dies a third time because Devin is in yet another unexpected place.

CUT TO:

21. INT. LIVINGROOM. DAY.

Rich loses it, he jumps up and starts freaking out.

RICH  
So much for using a time cube.  
Oh just use this almighty time  
cube and...

CUT TO:

22. INT. DEVIN'S LIVINGROOM. DAY.

We see Devin chuckling and as we pan out we can see that he too has a Time Cube. Pan over and zoom in on time cube and hold there. Devin rests his headphone on the cube and we can still hear the muffled sounds of Rich freaking out.

FADE TO BLACK:

23. BLACK SCREEN. SILENCE.

Pop onto the screen ``OK TIME CUBE``

FADE TO BLACK THEN CUT TO:

24. INT. LIVINGROOM. DAY.

Circle opens up in middle of blackness and Rich's head/shoulders are seen and he gives one last out burst!!!

RICH  
Mother f.

Circle closes in on Rich before he can finish his swear.

ROLL CREDITS:

25. ROLL CREDITS.

Show clips of each actor and the director while their name is on the screen.
